How to avoid the pitfalls of police liability – what you don't know could hurt you.

Allegations of police misconduct frequently make headline news throughout the United States. Civil rights lawsuits against police are common and are likely to increase as our diverse society places more and more emphasis on individual rights.

Attend this seminar and learn the skills you need to handle every police liability challenge you face. Don't miss this timely opportunity to hear from local experts on the police liability issues you need to know – register now!

Benefits for You

- Learn the most effective tactics for avoiding civil liability
- Obtain law enforcement hiring, supervision and investigation best practices
- Learn about common claims available to plaintiffs in police liability cases
- Find out what you need to know from case examples and settlement issues
